A Note from the Principal

"Living for the glory of God and the good of others."

We are on the homestretch of this school year. As we near the end of the year, we have several events coming up! Please read on and mark your calendars.

STREAM NIGHT is coming! Next week on Thursday evening (**April 19, 6:30-7:30**) we will have an hour of Science, Technology, Religion, Engineering, Art, and Math activities! Come and see what your children are learning. Come and let your children explore! There will be displays and interactive exhibits. This is for all ages!

STEM SHOWCASE – On Saturday, **April 28 from 10:00 AM – 3:00 PM** Peace will have a table at the Stem Showcase at the Kitsap Mall. We will have some students entering bridges in the bridge building competition. It's a fun day for kids to visit the mall and see many examples of science, technology, engineering, and math, and how these areas are tied to various careers.

MAY THE 4th BE WITH YOU! Yes, our auction is coming up very soon! If you have not had a chance to donate something to your child's class basket, please do so as soon as possible. Plan to join us for a fun night on **May 4th at 5:30 PM**. As this is an "adults only" event, we do provide babysitting up in the childcare building that evening. (Please make a donation to offset the cost of pizza and staffing.)

TECH TALK – Coming in May – "SCREENAGERS" – on **May 14th at 6:30** in the evening we will be hosting a showing of the documentary "Screenagers." This film talks about how electronics (screens) are affecting the social, emotional, and academic development of our children. After the film we will have a chance to share experiences and ideas with each other as to how we as teachers and parents manage our children and their devices. Plan now to come join us for this informative evening.

Thank you to all of you who responded to our Parent Education survey. We will compile the results and start planning for next year!

Blessings on your week,

Sheri Juszczyk

sjuszczyk@peacebremerton.org

Upcoming Events

Apr 19 – STREAM NIGHT – 6:30-7:30

Apr 19-20 – NO PS/PK –

Parent/Teacher Conferences 8-6

April 28 – STEM SHOWCASE at the Kitsap Mall – 10:00 AM-3:00 PM

May 4th – ANNUAL AUCTION!! – 5:30 PM.

May 14th – "Screenagers" movie – 6:30 PM.

Late Arrival – If you arrive late to school, be sure to sign in at the office. Preschool, Pre-Kindergarten, Kindergarten and First Grade students may go straight to class so they don't miss learning, but the parent needs to sign in at the office. Students in grades 2-8 must sign in at the office. Be courteous to student learning by being on time and not causing disruptions. **PLEASE NOTIFY THE OFFICE OF ALL ABSENCES.**

Scrip Orders – Apr 27 & May 11

[Click here for Scrip order form](#)

WASHINGTON STATE GEOGRAPHY BEE!

Last week while we were on spring break, Jacob K from our seventh grade took **2nd PLACE** at the **Washington State Geography Bee!** There were 96 students competing! Way to go, Jacob! We are very proud of you!

IT'S AUCTION TIME!

Our annual auction will be held on May 4 at 5:30 PM. The theme for this year's auction is "May the Fourth Be With You!" You should have received an information envelope this past week. We are in need of auction items, gift cards, desserts, and sponsorships. Tickets go on sale on MONDAY! We need everyone's help to make this a great event! Please sign up on the Sign-Up Genius that was sent to you earlier this week.

STREAM NIGHT!

STREAM is like STEM, but with religion and art mixed in! We are going to have a STREAM night on **APRIL 19 from 6:30-7:30**. Come and see the Science, Technology, Religion, Engineering, Art, and Math that your children are doing here at school. Peace students are very fortunate in that we teach science as a regularly scheduled subject, not just "now and then." If you have a friend who might be interested in enrolling their child at Peace, please bring them! This is not an event that involves your child doing a major project! (Thank goodness, right?) Just come and have fun!

LETTER FROM MR. GALLIGAR

Families of Peace Lutheran Church and School,

As of January, through Amanda's job opportunities, God made it abundantly clear that it was His will that we move to Indianapolis, IN so that we could be closer to family and friends, and she could continue to further her career. I prayed that God would bring me to a Lutheran school in the area, and, over the past few weeks, have been considering a call to St. John Lutheran School in Indianapolis to fill the position of 7th grade homeroom, social studies teacher, and athletic director. After these weeks of consideration, I have decided to accept this call. I would like to thank you all for the love and kindness you have shown Amanda and me, and look forward to seeing what God will continue to do through Peace Lutheran.

Peace and Blessings,
Tim Galligar

PEACE GARDEN UPDATE

This week the 2nd graders worked in the garden. Ask a second grader what they did! I'm sure they'll be excited to tell you.
