A Note from the Principal

“Living for the glory of God and the good of others.”

“Spring has sprung” and we’re loving the warm days! This past week I went into each classroom (grades 1-8) and reminded students about the dress code. Please help them make sure that shorts are no shorter than fingertip length plus two inches, as stated in our dress code. Also, if tank tops or sleeveless shirts are worn, the straps must be 2” wide, and the armholes cannot be gaping.

If you’re out and about tomorrow, stop by the Kitsap Mall for the STEM SHOWCASE sponsored by West Sound STEM. Peace will have a couple of tables there, and some of our students will also be competing in the bridge building contest. Peace’s table will be near Zumiez, and the bridge building contest will be near Barnes & Noble.

We have a busy week ahead. **MAY THE FOURTH BE WITH YOU!** Our annual auction is Friday evening at 5:30. Tickets are on sale in the office, so make sure to purchase yours soon! There are many nice things being auctioned, and it’s a fun night for everyone!

On Sunday afternoon, **May 6 at 3:00 PM**, we will be installing our new pastor. (See the article on page 2 for more details.)

In a couple of weeks, on **May 14**, we will have be showing the “Screenagers” movie here at the school. In a world of ever-increasing use of screened devices, we need to know what is good (and not so good) for our children. Please plan to join us for this event.

Blessings on your week,

Sheri Juszcak

Late Arrival – If you arrive late to school, be sure to sign in at the office. Preschool, Pre-Kindergarten, Kindergarten and First Grade students may go straight to class so they don’t miss learning, but the parent needs to sign in at the office. Students in grades 2-8 must sign in at the office. Be courteous to student learning by being on time and not causing disruptions. **PLEASE NOTIFY THE OFFICE OF ALL ABSENCES.**

NEW PASTOR AT PEACE

Peace is welcoming a new pastor on **May 6**. Pastor Dale Brynestad will be installed at **3:00 PM** that day. He and his wife, Julee, and two of their children are moving here from Corpus Christi, Texas. Help us welcome him and his family on May 6.

STEM SHOWCASE

On Saturday, **April 28 from 10:00 AM – 3:00 PM**, Peace will have a table at the Stem Showcase at the **Kitsap Mall**. We will have some students entering bridges in the bridge building competition. It's a fun day for kids to visit the mall and see many examples of science, technology, engineering, and math, and how these areas are tied to various careers.

TECH TALK

Coming in May – **"SCREENAGERS"** – on **May 14th at 6:30** in the evening we will be hosting a showing of the documentary "Screenagers." This film talks about how electronics (screens) are affecting the social, emotional, and academic development of our children. After the film, we will have a chance to share experiences and ideas with each other as to how we as teachers and parents manage our children and their devices. Plan now to come join us for this informative evening.

MAY THE 4th BE WITH YOU!

Plan to join us for a fun night on **May 4th at 5:30 PM**. As this is an "adults only" event, we do provide babysitting up in the childcare building that evening. (Please make a donation to offset the cost of pizza and staffing.)

PARKING LOT SAFETY

I have noticed an increase in the number of cars I see left running outside the childcare building. Please **TURN OFF YOUR CAR** when you drop off your child.

Also, I have noticed that we are in a bigger hurry these days. Please **SLOW DOWN** when you are entering our school parking lot. We want to keep our children and staff safe. Even if it's early morning or late evening, we still have people walking through the parking lot.

BOBCAT PRINTS SURVEY

If you made it this far, please click here and take the following survey: <https://www.surveymonkey.com/r/FP2L8D7> We want to make sure that this communication is reaching all of our families and is still effective. Your input is valuable!
